FOR THE PEOPLE
LUIS A. QUINTANA**

THE FUTURE OF THE 90's

*First Annual Breakfast
January 14, 1990*

*Portuguese Pavillion
99 Monroe Street
Newark, New Jersey*

Dear Friends:

Welcome to the Friends of Luis A. Quintana's First Annual Breakfast. As the organization's standard bearer, I would like to thank you for your help and enthusiastic support.

I came to the City of Newark as a child from Puerto Rico. I was raised and educated in Newark, and I intend to raise and educate my own children in this great city.

In the past three and one-half years, we have witnessed sweeping changes through Newark. We have seen housing development in our neighborhoods, the revitalization of local shopping districts, the construction of major supermarkets and retail malls and large-scale commercial development. All of this has meant jobs for our residents and a significant increase in tax revenues for our city.

We have also instituted afterschool recreation programs, major cultural events and have reopened and refurbished several local recreational facilities such as the John F. Kennedy-Center and Rotunda Pool.

It has been my distinct pleasure to be a part of Newark's renaissance as your deputy mayor. Serving our dynamic mayor, Sharpe James and this dynamic city has given me great satisfaction, but I believe that there is still more to be done.

I believe that I can be even more effective in moving Newark forward toward the 21st century by serving in an elected capacity, as your councilman-at-large. This position will give me an even greater say in the issues and laws that affect us all.

Your continued help and support is even more important now as we prepare for the 1990 Newark Municipal election on May 8.

My sincerest thanks for the trust and faith you have placed in me.

Sincerely,

Luis Quintana
Deputy Mayor

CONGRATULATIONS!

LUIS QUINTANA
